It is the responsibility of the applicant to verify property lines. The Town of Ekalaka accepts no responsibility for verification of property lines in determining setbacks and/or location of fences. The granting and/or issuance of a permit or approval of plans, specifications and computations shall not be construed to be a permit for, or an approval of, a violation of any of the provisions of the Uniform Building, Mechanical, Fire or Plumbing Codes: The National Electrical Codes, Town of Ekalaka municipal codes, or any other ordinance of the Town of Ekalaka in effect upon execution of this document or hereafter adopted. The applicant and owner have responsibility for compliance with applicable Codes and Ordinances. The applicant and owner expressly agree(s) to indemnify and hold harmless the Town and Town Council of Ekalaka from any and all errors or omissions which may arise from any building plan, specifications, computations or permit put forward by applicant or owner and satisfied and approved by the Town of Ekalaka, Montana in consideration for such approval.
